SHORT BUT SWEET:

A client brought a litter of puppies to the veterinary clinic for inoculations and worming. She loved them so much, she couldn't keep from remarking about their cute habits. As the look-alike pups squirmed over and under one another in their box, Pat the vet realised it would be difficult to tell the treated ones from the rest. Pat turned on the water tap, wet his fingers, and moistened each dog's head when he had finished. After the fourth puppy, Pat noticed the talkative client had grown silent. As he sprinkled the last pup's head, the woman leaned forward and whispered, "I never realised they had to be baptised."

SOME THOUGHTS FOR THE WEEK:

"Nothing is permanent in this wicked world, not even our troubles" *Charlie Chaplin*

"Change the way you look at things and the things you look at change." *Wayne Dyer*

"Rumi said just being in a body and sentient is a state of rapture. Just being here is a cause for celebration. It's our cause for grief too, but grief is also a form of joy. The rose celebrates by falling apart, the cloud celebrates by weeping." *Coleman Barks*

"I wish I could throw off the thoughts that poison my happiness." *Frederic Chopin*

"When I was young, I admired clever people. Now that I am old, I admire kind people." *Joshua Heschel*

"And once the storm is over, you won't remember how you made it through, how you managed to survive. You won't even be sure, whether the storm is really over. But one thing is certain. When you come out of the storm, you won't be the same person who walked in. That's what the storm's all about." *Muracami*

FIRST DAY OF SCHOOL:

I wonder what you're doing now
And if everyone is treating you kind.
I hope there is a special person,
A nice friend that you can find.
I wonder if the teacher knows
How special you are to me,
And if the brightness of your heart
Is something the teacher can see?
I wonder if you think of me
And if you need a hug,
I already miss the sound of your voice
And when you give my leg a tug.
I wonder if you understand my joy at seeing you
grow, And on this day, know my heart breaks
As out into this world, I'm letting you go!
