SHORT BUT SWEET: Pat had heart bypass surgery. For recovery, they had him do an exercise programme. When Pat goes to the doctor he asks if Pat has been exercising. Pat replies, "Yes. Religiously." "How is it going?" "Well, at first it was kind of tiring doing all that once a week..." "Once a week?" "Yeah, you know, religiously. Just like church. Every 7 days!"

SOME THOUGHTS FOR THE WEEK:

"Sometimes, if you stand on the bottom rail of a bridge and lean over to watch the river slowly slipping away beneath you, you will suddenly know everything there is to be known."

A. Milne

"As you start travelling down that road of life, remember this: There are never enough comfort stops. The place you're going are never on the map. And once you get that map out, you won't be able to re-fold it no matter how smart you are. So forget the map, roll down the windows, and whenever you can, pull over and have a picnic."

Jim Henson

"You can't calm the storm....so stop trying. What you can do is calm yourself. The storm will pass."

Timber Hawkeye

"What is it that you're going to do differently? In order to do something you've never done, you have to become someone you've never been."

Les Brown

"It is hard enough to remember my opinions, without also remembering my opinions for them!"

Friedrich Nietzsche

"If you place your head in a lion's mouth, then you cannot complain one day if he happens to bite it off."

Agatha Christie

ONE SENTENCE SERMON: Don't know where your kids are in the house? Turn off the internet and they'll show up quickly!
