A YEAR OF TIME:

As we look toward 2018 we look at a block of time. We see twelve months, 52 weeks, 365 days, 8,760 hours, 525,600 minutes, 31,536,000 seconds. All is a gift from God.

We have done nothing to deserve it, earn it, or purchase it.

Like the air we breathe, time comes to us as a part of life.

But the gift of time is not ours alone.

It is given equally to each person.

Rich and poor, educated and ignorant, strong and weak – every man, woman, and child has the exact same twenty-four hours, 1,440 minutes and 86,400 seconds every day.

The new year is full of time. As the seconds tick away, will you be tossing time out the window, or will you make every minute count?

ONE SENTENCE SERMON:

Eyes are useless when the mind is blind !

SHORT BUT SWEET: Three little boys were bragging about how tough they were. "I'm so tough", said the first boy, "that I can wear out a pair of shoes in a week". "Well", said the second little boy, "I'm so tough, I can wear out a pair of jeans in a day". "That's nothing", said the third boy. "When my parents take me to see my grandma and grandpa, I can wear them out in just one hour."

SOME THOUGHTS FOR THE WEEK:

"I heard a bird sing in the dark of December a magical thing and sweet to remember.

"We are nearer to Spring than we were in September," I heard a bird sing in the dark of December." *Oliver Hereford*

"Our lives begin to end the day we become silent about things that matter."

Martin Luther King

"We must all educate ourselves to the reality of the horrors taking place. Doctors today know that unborn children can feel a touch within the womb and that they respond to pain."

Ronald Reagan

"There would be no advantage to be gained by sowing a field of wheat if the harvest did not return more than was sown."

Napoleon Hill

"One resolution I have made, and try always to keep, is this: To rise above the little things."

John Burroughs

"Have faith that there is more than you know."

Hugh Nibley

"It's unbelievable how much you don't know about the game you've been playing all your life."

Mickey Mantle

"Home is not where you are from, it is where you belong. Some of us travel the whole world to find it. Others find it in a person."

B Tapline

"It is easy to be brave from a safe distance."
