DARE TO BE:

When a new day begins, dare to smile gratefully.
When there is darkness, dare to be the first to shine a light.

When there is injustice, dare to be the first to condemn it.

When something seems difficult, dare to do it anyway.

When life seems to beat you down, dare to fight back.

When there seems to be no hope, dare to find some.

When you're feeling tired, dare to keep going.

When times are tough, dare to be tougher.

When love hurts you, dare to love again.

When someone is hurting, dare to help them heal.

When another is lost, dare to help them find the way.

When a friend falls, dare to be the first to extend a hand.

When you cross paths with another, dare to make them smile.

When you feel great, dare to help someone else feel great too.

When the day has ended, dare to feel as you've done your best.

Dare to be the best you can –

At all times, Dare to be!

"We celebrate another year ending and a new one beginning. Let us look back and appreciate the experiences we had and learn from the mistakes we made." *Catherine Pulsifer*

"The negative parts of our past have served their part-and it's an ideal opportunity to get rid of all of them so that we may move forward with a positive idea of living life." *Adam Green*

"Just because you are happy it does not mean that the day is perfect but that you have looked beyond its imperfections." *Bob Marley*

"My therapist taught me to interrupt my anxious thinking with thoughts like: 'What if things work out' and 'What if all my hard works pays off?' So, I'm passing that onto you wherever you are, whatever you're leaving, or whomever you're becoming." *Sinclair Ceasar*

"Stay close to anything that makes you glad you are alive." *Hafiz*

"Life is fragile. We're not guaranteed a tomorrow so give it everything you've got." *Tim Cook*

ONE SENTENCE SERMON:

Hell is getting out of date by today's thinking, but it's not out of business!

SHORT BUT SWEET:

Flying to San Francisco from San Diego the other day, a passenger noticed that the "Fasten Seat Belts" sign was kept lit during the whole journey although the flight was a particularly smooth one. Just before landing, he asked the flight attendant about it. "Well," she explained, "up front there are 17 University of San Diego girls going to San Francisco for the weekend. In the back, there are 25 Navy recruits out on weekend liberty... "What would you do?"
