WISDOM IN TIME OF CRISIS:

Incurable points to - Curable from within.
Now is not forever - Everything changes.
Emotions always change provided we welcome them.

Is my illness trying to heal me of something?
The symptoms I experience may not be the cause.
Can I co-operate with my illness rather than fight it
My body sometimes speaks what I am not saying.
Worry is praying for the worst possible result.
Hope - Hold Only Positive Expectations.
Maintain Hope without being fixated on How.
Live the Now - No Opportunities Wasted.
Grace is daily - Sufficient for the moment
Look after your mind - Allow medics to mind your body.

The future is never what we think it's going to be.
Faith conquers all things - Fear falters.
Fear only sees the worst possible outcome.
Let go - Even of the way you want things to go.
Surrender is the pathway to peace.
With total surrender nothing blocks the path of destiny.
Be a victor of circumstance not a victim.
Avoid Self-Pity - It's the 'poor me' sin-drome.
This challenge will not leave you as it finds you
Know that this difficulty is awakening your soul.

ONE SENTENCE SERMON:

When Satan is knocking at your door, simply say,
"Jesus, could you please get that for me."

NEWMARKET LADIES FOOTBALL CLUB:

SHORT BUT SWEET:

A customer sent an order to a distributor for a large amount of goods totalling a great deal of money. The distributor noticed that the previous bill hadn't been paid. The collections manager left a voice-mail for them saying, "We can't ship your new order until you pay for the last one." The next day the collections manager received a phone call, "Please cancel the order. We can't wait that long."

MASTER COVID:

And - what - Master Covid have you achieved?
A world subdued?
A people humbled and afraid?
Many, many deaths....
So much loss, and loss and loss!
Was this your aim Master Covid?
But did you know That God would move through each of the above?
That a subdued world is also blessed?
That humbled people would stop and learn,
That they could reach out in love,
That they could hold each other as you passed through?
Because, Master Covid, you will pass on
But God will still be here
And we have learned, and learned, and learned,
To really care.

SOME THOUGHTS FOR THE WEEK:

"Rest, darling. The world's chaos isn't going anywhere soon. You can catch up with it again tomorrow or even the next day. But, for now, just take some time away from it all."

S.C. Lourie

"People talk about caterpillars becoming butterflies as though they just go into a cocoon, slap on wings, and are good to go. Caterpillars have to dissolve in a disgusting pile of goo to become butterflies. So, if you're a mess wrapped up in blankets right now, keep going."

Jennifer Wright

"An inheritance is what you leave with people. A legacy is what you leave in them."

Criag Lounsbrough

"With every storm we face, an angel is in the shadows awaiting his cue to step up with a message of hope and encouragement."

Glenn Procopio

"Truth is always strong, no matter how weak it looks, and falsehood is always weak, no matter how strong it looks."

Philips Brooks

"It's on the mountain that God reveals to us our weaknesses and insecurities. We find in our relationship with him strength we didn't know existed."

Jarrett Stephens

"Growth is a part of change and change is a constant in our world."

Michigan

"If you don't make up your mind, your unmade mind will unmake you."

Eli Jones

"It is in the dark that God is passing by. The bridge and our lives shake not because God has abandoned, but the exact opposite: God is passing by. God is in the tremors. Dark is the holiest ground, the glory passing by."

Ann Voskamp

"Wrong is wrong even if everybody is doing it, and right is right even if nobody is doing it."

Augustine
