GRANDPARENTS PRAYER:

Dear God, please bless my grandparents. Thank you for the life they gave my parents and for the life, they give to me. For the ways they helped me and made me strong, I give thanks. For the ways, they love me no matter what, I rejoice.

For the ways, they have paved the road that leads me here, I am grateful. Let them grow in wisdom and joy in life. Let them find peace and rest from their work. Let them be healed of every sickness and pain. And let them see with their own eyes your glory and the love of their children and grandchildren. Bless them always until they come to rest in you. Amen.

THROUGH LIGHT AND SHADOW:

Through light and shadow
I am led, I follow,
through the ins and outs
the ups and downs
of these days,
when my heart is failing,
when my spirit rejoices,
when I can barely put one foot
in front of the other
still you beckon me on...
when I stumble you support me,
when I can go no further
you carry me,
through light and shadow,
in death's dark vale,
and on the mountain peaks
you lead me,
through tangled webs,
on rocky ground,
on smoother paths,
through light and shadow
you lead me,
I follow,
may I never
walk alone..

SHORT BUT SWEET:

The orthopaedic surgeon that Mary works for was moving to a new office, and his staff was helping transport many of the items. Mary sat the display skeleton in the front of her car, his bony arm across the back of her seat. Mary hadn't considered the drive across town. At one traffic light, the stares of the people in the car beside her became obvious, and she looked across and explained, "I'm delivering him to my doctor's office." The other driver leaned out of his window. "I hate to tell you, lady," he said, "but I think it's too late!"
